Dear Valued Customer,

6 February 2007

## **CHINA KNOWLEDGE ONLINE**

We are pleased to introduce this online subscription that provides business intelligence on China. Information from this portal on China is comparable with major News Aggregators, Data Providers, Financial Data/Info Providers and Newswires/rReports Providers and more.... It's like putting all these into one single product focusing on China. The only difference is that subscription cost to China Knowledge Online is a fraction of those major players. A great business matrix built to fulfill business, academia and investor needs – first in the world. Please feel free to visit the website at [www.chinaknowledge.com](http://www.chinaknowledge.com). We would be pleased to put you on a 2-week trial period to check out the quality and timeliness of the information that may be needful to your colleagues.

As a Premium Member, you or your company could access to in-depth information to the following.

1. China Business News and Events - everyday news on business in and about China
2. China Databank - an essential database of China's main economic indicators, consumer market trends, domestic and international trade, finance, transportation and other industrial sectors - on National and Provincial front. A 'must-have' economic and industry analysis tool.
3. Financial Information - an easy-to-use package of information and data on China's financial services and fund management industries, stock markets and financial news; including about 4,600 listed companies financial statements. Covers the Shanghai, Shenzhen, HongKong and Taiwan Stock Exchanges.
4. Commentary and Analysis - written by analysts, often quoted by broadcast media like CNBC, BBC, major newspapers and magazines worldwide.
5. TV documentary and video - China Knowledge produces proprietary documentaries on selected topics on China and these are available for free viewing for Premium Members only.
6. China Information - business essentials like 'economy as a glance', 'infrastructure', 'financial systems', 'education & R&D', 'integration with the world', and 'setting up a business'. Statistics by economic zones.
7. Manufacturing in China – 1<sup>st</sup> Rating Guide on China's thousands of industrial zones. Detail of information in each of top ranked parts.
8. Marketing Communication in China – Covering media companies, media rates and market information on all media: Newspapers, Televisions, Internet, Radio, Magazines, Outdoor and ad agencies.
